ADULT ORAL MOTOR INTAKE FORM

107 Longwood Avenue | Rockledge, FL 32955 | 321-338-2419

ABOUT THIS EVALUATION

We assess and treat adults experiencing feeding and/or swallowing difficulties (dysphagia), including challenges with chewing, swallowing safely, food variety, or mealtime comfort.

Our approach may include oral-motor, neurological, and behavioral strategies, and we may recommend coordination with other providers if needed.

BEFORE YOUR EVALUATION

Please complete or bring the following:

- [ ] This intake form
- [ ] 3-day food log (if provided)
- [ ] Relevant medical records (swallow studies, hospital reports, prior therapy notes)

DAY OF YOUR EVALUATION

- Bring foods and drinks you tolerate well and those that are difficult.
- Bring any utensils or equipment you use (cup, straw, adaptive tools, etc.).
- Try to arrive slightly hungry, but comfortable.
- Arrive 15 minutes early with insurance card(s).
