Attendance Policy - Part 1

It is the patient/caregiver/guardian responsibility to keep your recurring scheduled appointments. Please note that if you have multiple therapy appointments in the same day, it is imperative that you make every effort to attend both appointments.

If you need to cancel or reschedule, please call us at 321-338-2419 or email us at admin@speechavenues.com as soon as possible.

Please read and sign the attendance policy below:

1. Attendance: Consistent attendance is critical for making progress in therapy and prevents regression of learned skills. Sessions are scheduled with the front desk to create a recurring appointment, (same day of the week, same time - every week).

2. Non-emergency Cancellations: Non-emergency cancellations require a 48 hour advance notification of your scheduled appointment to avoid any late cancellation fees of $50.00. Examples of non-emergency cancellations include but are not limited to, other medical appointments, school events, social events, vacations, etc.

Excessive cancellations or tardiness exceeding fourteen minutes may result in the loss of your preferred timeslot at Speech Avenues Therapy Co.

In such cases, the patient will be moved to a “call in” list. This allows you to call our office on the same day to schedule an appointment, subject to availability; however, this will not secure a permanent recurring time.

No-call no-show appointments are unacceptable. If more than two occur, the patient will be moved to the call-in list.

Non-emergency cancellations within less than 48 hours’ notice may result in a late cancellation fee of $50.00. This fee will not be covered by insurance.

Please sign - attendance policy part 1

Attendance Policy - Part 2

By signing this policy, you acknowledge that you have read and understand the expectations regarding attendance. Failure to do so will not excuse you from adhering to the policy.

Please sign - acknowledgment

3. Emergency Cancellations: Emergency cancellations will be accepted with less than 48 hour notice for death of a family member, medical emergencies, car accidents, or other situations beyond the individual's control. In the case of car accidents or medical emergencies, please notify SATC as soon as possible.

Please be prepared to provide a note for emergency cancellations from your provider or doctors office.

4. Sick Cancellations: Please notify Speech Avenues Therapy Co by 7:30am on the day of your appointment if the patient is sick. If there are any signs of ongoing infection, fever, vomiting, diarrhea, or any other highly contagious illness, you will be asked to cancel your session.

Cancellations will be considered "missed" appointments if you do not notify us by 7:30am.

Please sign - sick cancellation policy

5. Missed Appointments: If you miss two sessions during your current plan of care, which is typically 6 months in duration, our office policy requires that you call and reschedule, as all missed appointments are required to have a make up session following it.

If the appointments are not made up and there is a continued disregard in our policy, then SATC has the right to move you to the "call-in" schedule. In addition, SATC cannot guarantee the ongoing availability of your preferred time slot if recurring missed appointments continue.

Attendance Policy - Part 3

If you know you will be away for an extended amount of time, please inform the office at your earliest convenience.

6. Late/Tardy For Appointments: If you are late for an appointment, your session will need to conclude at the regularly scheduled time. If you are more than fifteen minutes late, the therapist reserves the right to cancel the session and mark it as a “missed” or “no call, no show”.

7. Clinic Cancellations: If your therapist/clinician is not able to attend the appointment or has scheduled time off, the office will contact you as soon as possible to make other arrangements. Please be sure that the office has up to date contact information to ensure the information can be received. Every effort will be made to reschedule in a timely manner. If your clinician is late for your session, you will be given the full amount of time of your scheduled appointment. SATC and all therapists will do their best to maintain timeliness and have make up appointments available if needed.

If therapist is not in for a particular session due to being out (sick, vacations, emergency, etc), and we have a therapist from the same speciality with an opening - we will transfer over the normal scheduled appointment to available therapist (if you need to change this due to preferences for certain therapists, please let us know, otherwise this change will be implemented automatically).

8. Call-In Scheduling: If you are not able to maintain our attendance policy, you will be taken off the main schedule and lose your recurring appointment time. Patient/parent/caregiver will be required to call into the office the day of when the patient is available for therapy sessions to see if SATC has any opening. Once you have maintained attending those appointments regularly, SATC will discuss returning to the main schedule with a specific date and time. This will be discussed with the therapist.

Please sign - attendance policy part 3

Attendance Policy - Termination of Therapy

9. Non-Compliance: Non-compliance with any portion of this attendance policy may result in termination of services.

See section titled “Termination of Therapy” below.

Termination of Therapy

The following reasons may be cause for termination of therapy:

1. Behavior of client: (examples, but not limited to - repeated tantrums with physical and/or verbal abuse. If your child is understanding the direction, but refuses to engage in therapy or refuses to follow recommendations, etc)

2. Behavior of a parent/guardian/caretaker/family member: (examples, but not limited to - physical and/or verbal abuse to staff, surrounding patients/families, therapist, etc. Unwillingness or inability to follow recommendations, attendance policy, and/or participate in sessions when requested, etc)

3. Non-compliance with attendance policy (please review attendance policy above).

4. Outstanding Balances/Refusal of Payments: Co-payments for services are due upfront at the time of the appointment.

5. Balances for deductible and other out of pocket expenses are due at the time the EOB is received. If we do not receive payment within 7 days, therapy will be placed on hold until services are rendered in full. SATC cannot guarantee the availability of your preferred appointment slot.

6. Engaging in Unethical Behavior: If behavior that breaches trust, such as withholding pertinent information about the case history or diagnosis, or asking our office to alter any current medical history is not tolerated under any circumstances.

7. If you need to terminate services with our facility, we ask that you give a two week notice so we are able to prepare a discharge note and home exercise plan. You will be responsible for any balances, fees, copayments, etc that may still be outstanding.

8. Discharge Summary: Discharge summaries will be completed once termination is determined.
